

**College and Coaching Supportive
Services fees and information:**

6 months of intensive services - \$18,000

This includes:

- 1x per week meeting with Primary Therapist, who oversees the treatment team
- 2x per week Personal Training / fitness session - either in the gym or in the nature of Colorado
- 4x weekly meeting with two separate life coaches / therapists, either in-home or in the community. This is based on the individual needs of the client being matched with the specialty skills of the life coach / therapist.
